

Hey, you -- If there's nobody behind you, just say out loud how many coffees you want. Otherwise, pass all but one copy of these instructions to the person behind you and write down how many coffees you want. Wait until you hear back from the person behind you. Once they give you their answer, write it down on your copy and say out loud the sum of that number and the number of coffees you want.

Number of coffees I want:

Previous number:
